(FOUO) 2011 National Day of Prayer Plan (U) AAHS-CH

Each faith group of the Pentagon Worship Community will conduct a faith specific observance of the National Day of Prayer on or around 5 May 2011. Faith groups that will conduct their own event will include, Catholic, Protestant, Muslim, Episcopal, Hindu and Jewish. Chaplains, contracted clergy or lay leaders of each faith group will determine what will be most the appropriate and meaningful way to participate in this annual national observance.

The times of the individual observances will coincide with that group's regular worship time in the Pentagon Chapel or other date and time to be determined later. The Pentagon Chaplain's Office will advertise all the observances of the National Day of Prayer.
